Identify up to three ways in which the webinar's learning objectives complement your own overall professional development goals.

1.	
2.	
3.	

Reflective exercise

Reflect on each individual presentation and the Q&A session and answer the following questions:

What did you learn from each individual presentation?

List three ways their respective approaches were similar and/or different.

Discuss how these similarities or differences may impact on how you may collaborate with these disciplines in your future practice.

Provide your own brief discipline specific response to the case study. Identify to whom, within your current referral network you might consider referring this particular case.

List three tips and/or strategies you will apply when working with clients presenting with similarities to those described in the case study.

Having watched the webinar, identify up to two improvements you will make in your practice.

List up to three outstanding questions you may still have after the panel discussion and identify the steps you'll take to seek the answer(s).
